# SPECIAL NEWS

Message from the Principal

Dear Parents,

The school year has started on a very positive note. Peace and safety for our scholars is the focus every day so the scholars can learn about Jesus and His love. A full week of school is completed! Fall is coming and illnesses are too, proper sleep and nutrition are important.

Our athletic program is up and running. We always need a good deal of help when we host the different athletic tournaments and games. Please make every effort to assist so that we can provide a safe and well run event for the various athletic activities.

Please make sure your children are updated on the cell phone policy. No student cell phones are allowed on school groups during the school day **or** at any school function at St. Mark's. This includes all school related activities that are hosted in the St. Mark's School facility. All after school practices are also included in this as well.

Our scholars are well dressed and looking really sharp each day. We have been receiving many compliments on how our scholars look. Please remember that red is not an official approved color except on Fridays for spirit wear day. Old Navy is having a huge sale at this time. School uniform items are currently 40% off. You may wish to stock up at this time.

Church attendance is a vital part of our spiritual health. Please find a time each week to worship with your family at St. Mark's. Services are listed below.

The new materials for Language Arts are serving us well. The scholars are learning Latin in grades two through five which will help them with their English skills. When our upstairs classrooms finish a novel, the books will be coming home. As a Classical School we will be emphasizing the literature from Western Civilization listed on the Great Books list. In additional we will be encouraging all of families and their scholars to select good, high quality literature for their individual reading materials. If you need any assistance with locating quality reading materials, please contact your teachers.

May Jesus provide all of our families, teachers, pastors, and support staff His gracious love and guidance during this school year!

Mr. Uttech
